C. MIKKI BEATON WICKIZER,

P R E S E N T E.

Con relación a la solicitud de información identificada con el **folio cero ciento treinta y cuatro guión dos mil diez**, que ingresó a través de nuestro sistema de solicitudes en línea, el día once del mes y año en curso, mediante la cual requiere a la Administración Portuaria Integral de Quintana Roo S.A de C.V. ...**Throughout my college education, I have had the wonderful opportunities to spend time abroad: studying, working and traveling. With these experiences, I have had the ability to find my passion, which is to be surrounded by diversity and various cultures that, are similar and yet, very different from my own. I want to help others to see the beauty in life and learn to indulge and begin new and exciting experiences day by day. It is this reason that I am eager to begin a career as a Team Leader and hopefully have the opportunity to work for such an incredible employer. I recently graduated from West Chester University of Pennsylvania in December with a Bachelor of Arts in Spanish and Liberal Arts with a minor in Latin American History. With that said, I would love to work with children whose native language is Spanish or those whom are learning the language but I am also open to any area that is needed. I have spent the years, while in college, working at a daycare facility and also in the customer service industry. Both have given me the opportunity to improve my skills interacting with people and also provided me with excellent communication skills. I also have been extremely interested in the Hispanic culture and the Spanish language. I have spent a summer studying abroad in Mexico and spent another summer working in Mexico and Costa Rica. With that said, I am very sensitive to others differences and needs and also have the ability to adapt in all situations. These experiences have helped me become a strong and dedicated individual as well as employee. Along with my application, I have attached my resume. I would very much like to arrange an interview and look forward to hearing from you soon ...
